# Audio-Visual Equipment Hire

Elevate your event with professional AV solutions

We have a large stock of AV equipment for hire including sound, lighting, visual-effects, DJ decks, staging, and more...

# We are AV Xpert.

Elevate your event with our **AV equipment hire service**. Whether it's a corporate event, wedding, party, or any other occasion, we offer **high-quality sound, lighting, visual-effects, staging, and more**, helping to make your event unforgettable.

AV Xpert is an **audio-visual hire and integration company**, celebrating over 10 years' experience in **equipment hire, commercial AV installations and event production**. From our modern headquarters in **Huntingdon, Cambridgeshire**, we provide equipment rental and event production services to both private and corporate clients across Cambridge, London and the East of England.

## Dry Hire Audio-Visual Equipment

Discover our extensive stock of **AV equipment available for dry hire, including sound, lighting, visual-effects, and more**. Collect from us in Huntingdon and return upon hire completion. Alternatively, take a look at our delivery and set-up services.

## Event Crew Services

### General Event Crew

Crew members are available for setting up, basic operation, and packing away of equipment.

### AV Technicians

Available to operate more complex audio-visual equipment and provide general technical support.

### Lighting & FX Technicians

Experienced technicians who can design and implement stunning light shows at your event.

### Sound Engineers

Professional sound engineering service, with technicians who can monitor the mix at your event.

## Collection & Delivery

Our customers can **collect equipment** from our warehouse in Huntingdon and return at the end of the hire period with **no additional fees**.

Alternatively, we can provide **delivery** to your venue throughout East Anglia and London.

**Courier delivery** is also available on most items across the UK.

# Audio Equipment Hire

Discover our extensive [sound equipment hire](#) options. We offer high-quality [PA and sound systems](#), powerful [loudspeakers](#), low frequency [subwoofers](#), and premium [microphones](#) to ensure crystal-clear audio for your events. Experience unparalleled sound quality with our reliable audio solutions.

## PA & Sound Systems

Our [PA & sound system packages](#) are ideal for small to medium-sized events with up to a few hundred guests. Each package includes [speakers](#), [stands](#), and [cabling](#) for seamless connectivity. For larger events, please get in touch and we will create a completely [bespoke package](#) tailored to your needs.

## Loudspeakers

Our range of [high-quality loudspeakers](#) ensure crystal-clear sound for any event. Whether you need compact speakers for smaller venues or powerful systems for larger audiences, we have the perfect solution to deliver [exceptional audio performance](#) for your event.

## Subwoofers

You can add [subwoofers](#) to any of our PA systems to increase the total output of the system and add in some extra bass frequencies. By adding one or more subwoofers to a sound system, you will dramatically increase the system's capabilities, making it suitable for larger venues.

## Microphones

We offer a [wide variety of microphones](#) to suit any event or performance. From [wired to wireless](#), [dynamic to condenser](#), we have options for DJs, speeches, live bands, vocalists, corporate events, and more, ensuring superb sound quality every time.

# Lighting Equipment Hire

We offer a comprehensive range of **professional lighting equipment** for all your event needs. From **ambient creative lighting** to **effects lighting**, our cutting-edge solutions create the perfect atmosphere and deliver a stunning visual impact.

## Creative Lighting

Our **creative lighting** options can transform your venue, setting the perfect mood for your event. From dynamic **uplighting** to dazzling **mirror ball packages**, we offer everything you need to create the ideal atmosphere for an unforgettable experience.

## Effects Lighting

We offer a range of **effects lighting** options including **spotlights**, **moving head lights**, **disco lighting**, and more. Our advanced fixtures provide a wide room coverage and create a dynamic, **colourful** and diverse light show that will enhance any venue.

## Festoon Lighting

Our **festoon lighting** is ideal for weddings and parties, featuring elegant hanging lighting chains that create a charming ambience. These stunning lights emit a soft, subtle glow, **enhancing the beauty of your venue** whilst adding a welcoming atmosphere. We also have **colourful festoon** available.

## Fairy Lighting

Fairy lighting adds a magical touch to any event. Our **LED outdoor fairy lights**, featuring cool or warm white bulbs with clear cabling, are perfect for creating an enchanting atmosphere. Ideal for weddings, parties, or any other special occasion.

# Lighting Equipment Hire

We offer a comprehensive range of professional lighting equipment for all your event needs. From ambient creative lighting to effects lighting, our cutting-edge solutions create the perfect atmosphere and deliver a stunning visual impact.

## Uplighting

Uplighting will transform any venue with beams of vibrant colours. Our high-quality uplighters are versatile, with wireless, battery powered options available. Perfect for accentuating walls and architectural features, these lights are ideal for weddings, corporate events, and parties.

## Wash Lighting

Wash lighting offers broad, even illumination, perfect for enhancing the atmosphere in any setting. Our premium wash lighting solutions deliver smooth colour coverage across buildings, walls, or floors, creating a balanced and inviting ambiance.

## UV, Lasers & Strobe Lighting

Our UV lights create a glowing effect, while dynamic lasers and strobes can add intensity and impact, transforming spaces with a unique, immersive lighting experience.

## Stage Lighting

Our extensive range of stage lighting is available for hire, ideal for theatre productions, festivals, live performances, and more. These versatile lighting solutions create a stunning visual effect, with static or moving lighting enhancing the atmosphere and adding a professional touch.

# Effects Hire

AV Xpert offers a full range of high-quality [effects machines](#) available for hire. Our reliable equipment creates stunning visual effects that will elevate your event to the next level.

## Confetti Systems

Our [confetti systems](#) deliver spectacular bursts of vibrant color, creating unforgettable moments at any event. Choose from paper or metallic confetti or streamers, with a [wide range of colours](#) available to match your theme and make your celebration truly unforgettable.

## Haze Machines

Our [haze machines](#) create a captivating atmosphere, enhancing your lighting effects and visuals. Delivering a fine mist, these machines provide the perfect backdrop for performances, ensuring beams of light shine through and can be seen clearly.

## Snow Machines

Experience the magic of winter with our [snow machines](#). These exciting effects machines create a [realistic looking snow effect](#), helping to transform your event. Our snow machines can be set on the ground and will fire snow up to 10m in the air, or alternatively, can be mounted from a truss to create a [magical snowfall effect](#).

## Visual Effects & Prop Hire

We have [visual effects items](#) and [props](#) suitable for events of all sizes. Ideal for private parties, corporate events, weddings, and more, we can elevate any occasion with stunning visuals. AV Xpert will provide everything you need to enhance your event.

# Stage, Stands & Trussing Hire

We supply **staging, stands and truss system rental** for events, festivals, private parties, and more. Our stage and truss systems are completely **customisable**, allowing us to build **bespoke systems** to suit your exact requirements.

## Staging

We stock **Prolyte StageDex staging**, which is among the strongest and most versatile systems on the market for building temporary stages. StageDex is ideal for a **variety of functions** from conferences and awards ceremonies, to banquets, product launches and concerts.

## Custom Stage Backdrops

Our **custom stage backdrops** create a captivating atmosphere at any event, using options like **pipe and drape, RGB starcloths, and dynamic lighting**. The pipe and drape setup offers adaptable, elegant framing for a polished look, while RGB starcloths add enchantment with **colourful LEDs**.

## Custom Truss Structures

We can create **custom truss structures** for your event. Truss can be used to hang lighting above a stage or dancefloor, or we can use truss to build structures such as entranceways, archways, start/finish lines and more, adding creativity to any event setup.

## DJ Booth & Deck Stands

Our **DJ booths and deck stands** provide a professional, easy-to-assemble solution for DJs. Choose from our **1.8m (6ft) deck stand**, ideal for compact setups. We can also provide an optional **event façade** to professionally conceal your equipment. Alternatively, our **large DJ booth** comes complete with a built-in shelf that can accommodate most flight cases, decks, and DJ controllers.

# Our Clients

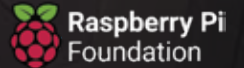

We work closely with exclusive hotels, venues, and events centres to deliver professional AV solutions.

UNIVERSITY OF CAMBRIDGE

“Our first hybrid workshop event was a **great success**. Thanks very much to the team at AV Xpert for their **fantastic support** and **expertise** in ensuring all the hybrid elements ran smoothly. We look forward to working with them again.”

“We have used AV Xpert for two conferences. They offer **great value, great equipment, and great staff**. They delivered an entirely smooth operation. **Highly recommend!**”

“I just want to say **thank you for your hard work** on the Spotlight Awards. It was a new event for us all and we’re really **pleased it went smoothly**. Thank you for all your time with the planning, run-through, set-up and break down, and everything else in-between.”

“A **huge thank you** to you and your team for such a **fabulous job** over the last few days. From start to finish you have been a **joy to work with**. Nothing has been too much trouble, and I love working with professionals who find solutions and get on with the task in hand”

“Equipment was exactly as described, and the service and delivery was prompt and efficient. **Perfect!** Speakers provided surround sound quality.”

## We are trusted by many well-known organisations...

AV Xpert is a leading audio-visual hire and integration company with over 10 years' experience in equipment hire, commercial AV installations and technical event production. Operating from our state-of-the-art headquarters in Huntingdon, Cambridgeshire, we offer equipment rental services and comprehensive technical event production for private and corporate clients throughout Cambridge, London, and the East of England. Additionally, we serve commercial clients across the UK with tailored AV installation and integration solutions.
